7	XPS	≤ 1	500	1000	3000	5000
8	ICP-MS (1ST SAMPLE + EXTRA ELEMENTS)	≤ 1		500+200X	1500+600X	2500+1000X
9	ITC	≤ 1	500	1000	3000	5000
10	DLS	≤ 1	250	500	1500	2500
11	IC (FIRST SAMPLE + EXTRA ANION)	≤ 1		500+200X	1500+600X	2500+1000X

X refers to each extra element/anion to be analyzed.

Note:

The cost for sample preparation is not included in the list. It is expected that samples prepared with the appropriate processes are supplied.

* Service Tax 18%, for external samples. The charges must be paid in advance in the form of DD, in the name of "Registrar, IIT Madras" payable at Chennai.

† For many instrumental facilities, analysis can extend for a long time depending on the details examined. Therefore, a standard time for analysis is fixed. This time duration for one standard analysis is mentioned. Any extra time consumed will be billed in multiples of standard time. This time also involves sample preparation.

Service received from IIT Madras to be acknowledged in publications.
